A RE-PLAT OF BLK. 10 & S. 15

OKLAHOMA CITY, OKLA.

BLK. 10 BRITTON FIRST ADD.

OWNERS CERTIFICATE AND DEED:

We are the owners of the land shown in the attached plat and do hereby declare to the public use all streets shown on said plat and in the public right-of-way shown on the plat.

R. B. Britton First Addition, as hereby described, is to be used in accordance with the following:

1. All lots shall be dimensioned as residential in size.
2. The property shall be located on the front lot line or side street line as shown by the building line, except that open spaces and easements not more than 10 feet in width shall be located beyond the front building line, and not more than 5 feet beyond the side street building line. No dwelling shall be located less than 10 feet to the side yard line.
3. No change or alteration of any kind shall be made on any lot, except those shown on this plat.
4. All buildings and improvements shall be used as a dwelling and access thereto.
5. No other structure shall be erected on any lot, except those shown on this plat.

CITY ENGINEERS CERTIFICATION:

I hereby certify, on the basis of the survey and plans of the City Engineers, that the lot and building shown in this plat are in accordance with the City Engineers' specifications and regulations.

R. B. Britton First Addition, as hereby described, is to be used in accordance with the following:

1. All lots shall be dimensioned as residential in size.
2. The property shall be located on the front lot line or side street line as shown by the building line, except that open spaces and easements not more than 10 feet in width shall be located beyond the front building line, and not more than 5 feet beyond the side street building line. No dwelling shall be located less than 10 feet to the side yard line.
3. No change or alteration of any kind shall be made on any lot, except those shown on this plat.
4. All buildings and improvements shall be used as a dwelling and access thereto.
5. No other structure shall be erected on any lot, except those shown on this plat.

CITY TREASURER'S CERTIFICATE:

I hereby certify, on the basis of the survey and plans of the City Treasurers, that the lot and building shown in this plat are in accordance with the City Treasurers' specifications and regulations.

R. B. Britton First Addition, as hereby described, is to be used in accordance with the following:

1. All lots shall be dimensioned as residential in size.
2. The property shall be located on the front lot line or side street line as shown by the building line, except that open spaces and easements not more than 10 feet in width shall be located beyond the front building line, and not more than 5 feet beyond the side street building line. No dwelling shall be located less than 10 feet to the side yard line.
3. No change or alteration of any kind shall be made on any lot, except those shown on this plat.
4. All buildings and improvements shall be used as a dwelling and access thereto.
5. No other structure shall be erected on any lot, except those shown on this plat.

CITY COMMISSIONER'S CERTIFICATE:

I hereby certify, on the basis of the survey and plans of the City Commissioners, that the lot and building shown in this plat are in accordance with the City Commissioners' specifications and regulations.

R. B. Britton First Addition, as hereby described, is to be used in accordance with the following:

1. All lots shall be dimensioned as residential in size.
2. The property shall be located on the front lot line or side street line as shown by the building line, except that open spaces and easements not more than 10 feet in width shall be located beyond the front building line, and not more than 5 feet beyond the side street building line. No dwelling shall be located less than 10 feet to the side yard line.
3. No change or alteration of any kind shall be made on any lot, except those shown on this plat.
4. All buildings and improvements shall be used as a dwelling and access thereto.
5. No other structure shall be erected on any lot, except those shown on this plat.

ENGINEERS CERTIFICATE:

I hereby certify, on the basis of the survey and plans of the Engineers, that the lot and building shown in this plat are in accordance with the Engineers' specifications and regulations.

R. B. Britton First Addition, as hereby described, is to be used in accordance with the following:

1. All lots shall be dimensioned as residential in size.
2. The property shall be located on the front lot line or side street line as shown by the building line, except that open spaces and easements not more than 10 feet in width shall be located beyond the front building line, and not more than 5 feet beyond the side street building line. No dwelling shall be located less than 10 feet to the side yard line.
3. No change or alteration of any kind shall be made on any lot, except those shown on this plat.
4. All buildings and improvements shall be used as a dwelling and access thereto.
5. No other structure shall be erected on any lot, except those shown on this plat.
