## Plat of Doffing's Suburban Addition to Oklahoma City, O.T.

Know all Men by these Presents; That We, Peter F. Doffing and Mary his wife, owners, have caused to be surveyed into Lots and Streets the following tract of land situate in Oklahoma County, Oklahoma Territory, to-wit:

A part of the Northwest Quarter of Section Six, Township Eleven North, Range Three West of Indian Meridian. More particularly described as follows: Beginning at the Northwest corner of said Section "Township Corner". Thence South on the Range Line 1980 feet to an iron Post, Thence East Parallel with the North line of said Section 1551.60 feet, Thence North Parallel with the Township Line 834.38 feet, Thence East to the center of the main channel of the Canadian River, Thence up the center of the said River by its meanders to its intersection with the Township Line, the same being the North line of said Section, Thence West on said line to the place of beginning. The same to be known as "Doffing's Suburban Addition to Oklahoma City, O.T." And that a correct map or plat of said addition as surveyed is set out on the annexed sheet. And we hereby dedicate the street to Public use forever. Witness our hands this 18th day of November, 1903.

### Surveyors Certificate

J. P. Barnard do hereby certify that I am a surveyor by profession - that at the instance of Peter F. Doffing and Mary his wife, I made the survey of the land embraced in the foregoing map, viz "Doffing's Suburban Addition to Oklahoma City" that said map is a true exemplification of the work done by me on the ground that the different subdivisions, and the streets, the contents in acres and distances as shown by the figures on said map, are substantially correct, and embraces a part of the N. W. 1/4 of Section 6 in Township 11 North of Range 3 West. T. 11 N. described as follows: Beginning at the Northwest corner of said Section (Township Corner), thence South on the Range Line 1980 feet to an iron Post; thence East Parallel with the North line of said Section 1551.60 feet; thence North Parallel with the Township line 834.38 feet; thence East to the center of the main channel of the Canadian River; thence up the center of said river, by its meanders, to its intersection with the township line, the same being the North line of said Section, thence West on said line to place of beginning.
