Section Three, a single parcel, has been taken to be surveyed into lots, blocks, and streets in Oklahoma County.

The following description shall describe the said parcel of land:

The following described and bounded as follows:

Beginning at a point on the southwest corner of the said parcel of land, and the south line of block 1, north of the said parcel of land, a line measured east from the southwest corner of the said parcel of land, along the said south line of block 1, and the south line of the said parcel of land, to the east line of the said parcel of land, and thence north along the east line of the said parcel of land, to the north line of the said parcel of land, thence along the north line of the said parcel of land, and the west line of the said parcel of land, to the southwest corner of the said parcel of land, thence along the said south line of the said parcel of land, and the south line of block 1, to the point of beginning. The said parcel of land being all that is bounded, described, and designated as aforesaid.

This parcel of land was surveyed by the surveyor who surveyed the said parcel of land and for which the following is the true and correct description:

Surveyor's signature: ________________________

Surveyor's seal: ________________________

The undersigned, having surveyed the said parcel of land, do hereby certify that the description of the said parcel of land is true and correct, and that the said parcel of land is bounded, described, and designated as aforesaid.

Surveyor's signature: ________________________

Surveyor's seal: ________________________

The undersigned, having surveyed the said parcel of land, do hereby certify that the description of the said parcel of land is true and correct, and that the said parcel of land is bounded, described, and designated as aforesaid.
